**other than the above listed countries, please submit application for consideration of import approval to Import Control & PRA Unit, Plant Biosecurity Division, Department of Agriculture, Level 2, Wisma Tani, Jln Sultan Salahuddin, 50632 Kuala Lumpur.**

## Import Condition

1. Import License is to be sought from the relevant Ministry if required.
2. A copy of this Import Permit (IP) must be sent to the consignor.
3. Consignment must be accompanied with:
   - **Import Permit (IP)**
   - **Phytosanitary Certificate (PC)** which has the Malaysian Import Permit (IP) reference number and/or reference number of the quarantine treatment certificate (if related) printed at the additional declaration column.
   - **The quarantine treatment certificate** (if related)
4. Consignment must be inspected and tested according to appropriate official procedures and are considered to be free from soil, pests, diseases, weed seeds contaminants and regulated articles by National Plant Protection Organization (NPPO) of exporting country.
5. Consignment is subjected to visual inspection, examination or analysis prior to clearance by MAQIS officer upon arrival at the point of entry into Malaysia.

## Additional Declaration

NPPO must include this Additional Declaration in the PC:

1. The issuance of this PC is based on the Malaysia IP reference number : JPKxxxxxxxxxxxxx

## Treatment

Nil

## Post Entry Requirement

1. MAQIS officer(s) will take the samples of consignment based on symptoms/signs of infestation at the point of entry and send to National Post Entry Quarantine Station (PEQ) Serdang, Malaysia for screening of pests, diseases and other regulated articles.
2. If any pests, diseases and other regulated articles are present during the post-entry quarantine screening process, Department of Agriculture (DOA) Malaysia have the
right to suspend future importation, until the cause of the non-compliance is investigated, identified and rectified to the satisfaction of DOA Malaysia.

3. All cost incurred during PEQ activities will be borne by the importer.
