

ASEAN Standards kini boleh diakses melalui pautan berikut:

<https://asean.org/our-communities/economic-community/agriculture-and-food-cooperation/>

ASEAN Standards ini dibangunkan di bawah kerjasama ASEAN dalam bidang pertanian dan makanan, bertujuan untuk menyeragamkan standard bagi memudahkan perdagangan serta meningkatkan keselamatan dan kualiti makanan di rantau ini.

Bagi melihat dan mendapatkan maklumat **senarai lengkap dokumen ASEAN Standards**, sila rujuk pada **bahagian “Key Documents”** di halaman tersebut.

Jabatan Pertanian Malaysia menggalakkan semua pihak berkepentingan untuk merujuk dan memanfaatkan dokumen ini sebagai rujukan dalam sektor pertanian dan industri makanan.

#####

ASEAN Standards is now accessible via the following link:

<https://asean.org/our-communities/economic-community/agriculture-and-food-cooperation/>

These ASEAN Standards are developed under the ASEAN cooperation in the agriculture and food sectors, with the aim of harmonizing standards to facilitate trade and to enhance food quality and safety across the region.

*To view the **full list of ASEAN Standards documents**, please refer to the “**Key Documents**” section on the webpage.*

Department of Agriculture Malaysia encourages all relevant stakeholders to refer to and make use of these documents as a reference in agricultural and food-related activities.
